Arbutus Music was set up by Christine Gwynn and Frances Quintrell in 2008 to provide a range of musical activities. As well as exploring repertoire, Arbutus Music courses include voice coaching, ideas and tips and the opportunity to build group singing skills, including part-singing for those who wish. All done in a fun and light-hearted way, these events are as suitable for those new to group singing as they are for old hands who fancy a change and enjoy trying new repertoire whilst honing a few skills along the way. All workshops are led by professional musicians with extensive experience in vocal and performance coaching.

Frances Quintrell's initial training, at Christchurch College, Canterbury under Donald Burrows, qualified her to be a specialist primary music teacher, in which capacity she developed her early career. Later on she moved to adult education where she was until 2007 a specialist Performing Arts co-ordinator for Essex County Council, developing the largest and most diverse music department in community education within the County.

Frances has been active as a freelance vocal/choral coach and trainer since 2001. Her work includes considerable experience with music theatre for which she has received excellent reviews from NODA. She also leads classes for adult singers covering vocal, choral and musicianship skills.

Christine Gwynn read music at Southampton University and subsequently studied with Norman Beedie at the GSMD. She has worked as a freelance musician and music teacher since 1985. Conducting and choral training form a central part of her work, complemented by a diverse array of musical skills and interests. She is active as a vocal coach and workshop leader and her extensive experience as an MD in music theatre ranges from Dido & Aeneas to West Side Story and contemporary pieces – a wide variety of experience which Christine has brought to bear on her work in the choral field. She is musical director of Valentine Singers, Writtle Singers chamber choir, Jericho Ensemble and Tuneful Accord vocal ensemble. As a pianist and organist, she performs in a wide variety of contexts.

Christine and Frances are both members of the Incorporated Society of Musicians (ISM) and are qualified teachers.
